

FOR SENIOR LIVING, RETIREMENT COMMUNITIES & CAREGIVING ORGANIZATIONS

Give families one more reason to choose you.

At \$0 cost to your facility.

Add a modern layer of wellness, connection, and reassurance to the care you already provide - without new equipment, installation, or staffing.

A SIMPLE DAILY EXPERIENCE

Scheduled wellness check-ins

Missed check-in alerts

Medication reminders

Trusted contact network

\$5.99-\$7.99/mo

for participating users

More value. No added burden.

A benefit families can appreciate - and your organization can offer without increasing overhead.

\$0

COST TO YOUR ORGANIZATION

Residents, clients, or their families subscribe directly. Your facility can offer the benefit without adding a new operating expense.

- ✓ No equipment purchase
- ✓ No installation expense
- ✓ No additional staffing

A stronger resident experience without changing your workflow.

Families are evaluating more than care. They are evaluating how connected, informed, and reassured they will feel. Well-Check helps strengthen that experience.

Stand out

Differentiate your community or caregiving service.

Build confidence

Give families another layer of reassurance.

Support independence

Help residents maintain greater autonomy with support nearby.

Show innovation

Offer modern technology families can use directly from their phones.

Affordable for families. Easy for facilities.

Participating users: \$5.99-\$7.99/month, depending on plan.

ONE APP. MULTIPLE LAYERS OF SUPPORT.

Everyday wellness tools in one simple platform.

Designed to help people stay connected, supported, and more confident in their independence.

Daily wellness check-ins

Scheduled check-ins built around the user's routine.

Missed check-in alerts

Trusted contacts can be notified when a check-in is missed.

Medication reminders

Helpful prompts and tracking for daily medication routines.

Help / SOS alerts

Quickly notify trusted contacts when assistance may be needed.

Location awareness

Optional location features help trusted contacts stay informed.

Safe-zone monitoring

Geofence tools can add another layer of awareness.

Caregiver communication

Keep families, caregivers, and trusted contacts connected.

Health & activity updates

Support better visibility into everyday wellness routines.

Apple Watch integration

Extend the Well-Check experience to a familiar wearable.

SIMPLE FOR USERS. MEANINGFUL FOR FAMILIES.

One easy platform can add confidence to the entire care circle.

One app. Three clear wins.

Well-Check supports independence, reassurance, and stronger communication around the people you serve.

Residents & Clients

More independence, with support close by.

- ✓ Complete scheduled check-ins in seconds
- ✓ Receive medication reminders
- ✓ Request help from trusted contacts
- ✓ Stay connected without feeling constantly monitored

Families

More confidence when they cannot be there in person.

- ✓ Know when a scheduled check-in is completed
- ✓ Receive missed check-in notifications
- ✓ Stay better informed about wellness routines
- ✓ Coordinate with other family members and caregivers

Your Organization

More perceived value, without added overhead.

- ✓ Offer an additional wellness resource at no cost
- ✓ Differentiate your care experience
- ✓ Demonstrate a proactive approach to wellness
- ✓ Enhance communication without replacing caregivers

WELL-CHECK DOES NOT REPLACE CAREGIVERS.

It strengthens the communication and reassurance surrounding the people you serve.

WHY IT MATTERS

A missed check-in may be nothing.

But sometimes, it may be the first sign that someone needs attention.

1

Scheduled check-in

The user receives a wellness prompt at the time they choose.

2

Reminder + grace period

If there is no response, Well-Check provides additional prompts.

3

Trusted contacts notified

If the check-in remains unanswered, selected contacts can be alerted.

4

Family can respond

Loved ones or caregivers can reach out and decide what to do next.

Give families greater peace of mind.

Offer Well-Check as an added wellness benefit today.

No cost to your facility. Participating users: \$5.99-\$7.99/month.
